**Production verification  
Of  
Oxyhydrogen module generator HG2014**

Report No.: 9020/0063/R/15/001

Name and address of the manufacturer:	Hydrogenica Corporation OOD 12, Boyanska Reka str. 1616 Sofia, Bulgaria
Description of the product:	Oxyhydrogen module generator HG2014
Serial number:	HG20014/01
Year of manufacture:	2014
Patent No.:	BG2798U1; PCT/BG2014/000030
Testing type:	Quantity of oxyhydrogen produced and electrical energy consumed in the process; Efficiency of gas mixtures, containing oxyhydrogen
Test report No.:	Protocol №1 / 06.07.2015
Tested according to:	Procedure 045
Additional information:	The test has been conducted under the monitoring of TÜV NORD Bulgaria EOOD. All of the used measurement device has been metrologically certified. All test results has been verified by TÜV NORD Bulgaria EOOD.

**The tests prove high efficiency of operation and high efficiency of gas mixtures containing oxyhydrogen.**

Plovdiv, 20.08.2015
