Operation verification
Of
Oxyhydrogen system HG2014/ED

Report No.: 9020/0063/R/16/004

Name and address of the manufacturer:	Hydrogenica Corporation OOD 12, Boyanska Reka str. 1616 Sofia, Bulgaria
Description of the product:	Oxyhydrogen system HG20014/ED
Serial number:	HG2014/191; HG2014/192; HG2014/193; HG2014/194
Year of manufacture:	2015
Patent No.:	WIPO № WO 2015/196263 A1; BG2798U1
Testing type:	Reduction of greenhouse gases in the atmosphere after burning of the three basic types of coal
Test report No.:	Testing protocols No.: 01-0731; 01-0732; 01-0733; 01-0734; 01-0735; 01-0736/06.06.2016
Tested according to:	Procedure 2505
Additional information:	The test has been conducted under the monitoring of TÜV NORD Bulgaria EOOD. All of the equipment used is in compliance with EN 14790:2005. All test results are verified by TÜV NORD Bulgaria EOOD.

The tests prove high reduction of greenhouse gases in the atmosphere

Plovdiv, 10.06.2016

Georgi Mintchev

TÜV NORD Bulgaria EOOD
