

Report

Operation verification
Of
Oxyhydrogen system HG2014/ED

Report No.: 9020/0063/R/17/006

Name and address of the manufacturer:	Hydrogenica Corporation OOD 12, Boyanska Reka str. 1616 Sofia, Bulgaria
Description of the product:	Oxyhydrogen system HG2014/ED
Serial number:	HG2014/191; HG2014/192; HG2014/193; HG2014/194
Year of manufacture:	2015
Patent No.:	WIPO № WO 2015/196263 A1; BG2798U1
Testing type:	Oxyhydrogen Installation HG2014/ED for air heating
Test report No.:	Testing protocol No.: 1/24.04.2017 based on Pr. 2404/02
Tested according to:	Procedure 2404/02
Additional information:	The tests have been conducted under the monitoring of TÜV NORD Bulgaria EOOD. All of the equipment used is in compliance with EN 14790:2005. All test results are verified by TÜV NORD Bulgaria EOOD.

The tests prove high efficiency of operation and the thermal power of the oxyhydrogen installation.

Plovdiv, 19.05.2017
